**A MONTHLY NEWSPAPER FOR THE STUDENTS AND BY THE STUDENTS**

Bangalore, December 2018

CMM/BHE/DECL/NPP - 230 / 10 / 2033

## DIWALI DINNER AT NHPS

Diwali, the festival of lights, is one of the most awaited events of the school. The school was beautifully decorated and there was an air of celebration and joy around. The cultural event was presided over by Dr Mohan Manghnani, Chairman, New Horizon Educational Institution.

## ANNUAL ATHLETIC MEET 2018

This year's Annual Athletic Meet was a fun-filled one. The students from the various houses marched with pride to ensure that they win the best marching contingent. The display put up by the students was enthralling. The day culminated with rounds of cheers for the winning houses and a promise that this kind of camaraderie will continue off the sports field too.

## ANNUAL ALUMNI MEET 2018 - 19

The truth is homecoming never gets old. On the 17<sup>th</sup> of November, our dear school held their Annual Alumni Meet. It was amazing to see all the ex horizonites come back once again to the home that they shared for 13 years of their lives. There were students from the 1982 batch to the 2018 batch. We were encouraged to attend the meet by the heart warming videos made by our dear teachers. The evening began with dances performed by the alumni themselves. This was followed by the speech given by our principal, Ms Sandhya Raman. Her words truly touched our hearts. Furthermore, the classrooms were kept open, allowing one to relive some of the precious moments spent there. Everyone climbed the stage to take photographs with their batchmates. Later on, our teachers took to the stage by dancing and singing to old Bollywood hits, which made it all the more enjoyable. I was delighted to meet all the teachers. Not to forget, meeting our lovely classmates. It made the evening even more pleasant. Seeing their familiar faces truly made it special and it made us feel like we had come back home. My first Alumni meet will always be a memorable one and I hope to come back here next year.

**NURSERY – FANCY DRESS COMPETITION – 4<sup>TH</sup> OCT 2018**

This competition was surely a visual treat for all to see because this time it was with a difference. We saw many children walking in as black sheep, rooster, thunder, teapot, old Mac Donald, dustbin, wall clock, spiders and many more characters. It looked like the Nursery section was filled with Nursery rhyme characters who had just popped out from a rhyme book. Our little children even managed to recite a few rhyming lines. An enjoyable day indeed.

**DANDIYA – PRE-PRIMARY 10<sup>TH</sup> OCT 2018**

The Festival of Dasera brings forth the spirit of Dandiya into each one of us. And this spirit was captured in its full form by the pre-primary on 10<sup>th</sup> Oct 2018. Pre-Primary was filled with festive, bright, traditional attires worn by children and teachers. Armed with Dandiya sticks, dancing to Dandiya beats, children enjoyed tapping their feet matching every beat. Our children surely had a step or two to teach their parents at home.

**DANCE COMPETITION CONDUCTED FOR THE STUDENTS OF STD I ON 14/9/18.**

Primary division held the dance competition on 12th September for Std II and 14th Sep for Std I. Students set the stage on fire with their sizzling numbers. They created magic and the audience was spell bound by their mesmerising performances.

**WONDERFUL WILDLIFE**

- A Zebra's stripes works as a bug repellent.
- A Reindeer's eyes turn blue in winter to absorb more sunlight.
- Frogs can freeze without dying.
- Horned lizards squirt blood from their eyes to avoid predators.
- Cows also have the concept of "Best friends".
- Snow Leopards don't roar as they have relatively weak vocal chords.
- A kick from an Ostrich is strong enough to rip open a lion's body.
- Flamingoes can only eat when their heads are upside down.
- A beaver's teeth never stops growing throughout its life time.
- A blind chameleon will still have no problem in camouflaging with its surroundings.

**The Buzz of a housefly is in the musical key of F.**

**TEACHERS**

Teachers are the shining lights,  
They make our lives happy and bright.  
They shine brighter than the sun,  
And at times they are fun.  
They might be strict at times,  
But guide us all the while.  
They never let us down,  
And never let us frown.

They have another side,  
Which they always hide.  
They never show that they are proud,  
Even though they are a bit loud.  
They never miss school when they are ill,  
Though they are weary, they pop a pill.  
They never leave in us a doubt,  
And are always loved by us a lot.

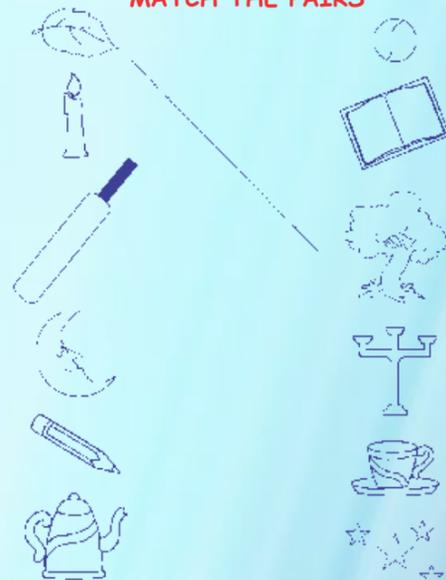

Shrihan

**TEST YOUR SKILLS**

**RIDDLES**

1. Where should you put a noisy dog?
2. I'm easy to get into but hard to get out of, what am I?
3. What do you call a rabbit with fleas?
4. What kind of room has no windows or doors?
5. What can you catch but not throw?
6. Why should you never bring a Pokémon with you to the bathroom?
7. What does a fish say when it runs into a wall?
8. What type of shoes do spies wear?
9. What do you get when you mix lemon and grenades?

**MATCH THE PAIRS**

SPIN A YARN

THE BRAVESTONE

Once upon a time , there was a lone shepherd boy who maintained a tiny flock of about thirty sheep. On day, he felt a strong desire to be brave and powerful. He wanted to become a man and find purpose in his life.

SHEPHERD BOY

To achieve his desire, he decided to approach an old, wise and benevolent king; the king of Tuscania . "O great king" he said "I want to be courageous,

brave and proud , just like a man! What must I do to acquire this ?". The king, after considerable thought, said "You must go to the ancient land of Wizenga and climb the vast Iglesias mountain, upon which, you will find a magical blue stone called the Bravestone.

You must hold it in your hand and chant its name thrice and you will become confident and brave, just like a man.". The shepherd thanked him and then left for his long journey.

Over the next two weeks , the boy persevered and marched on towards the legendary land, with only the thought of the stone in his mind. He bore the extreme cold of the mountains , fought off the deadly mountain vultures and lions , hunted and ate goats and did not allow anything to deter him. On the fifteenth day , he finally reached the summit of the mountain , but what he saw shook him to his core . The Bravestone was nowhere to be seen but instead , there was the king himself !

"You tricked me !" said the furious boy. "All that hard work was a complete waste! Now I can never truly be a man!" he wailed . "Quite the contrary," said the smiling king. "Think about it, for two weeks you trusted your instincts, braved the elements of nature , made your own decisions and never felt afraid . Aren't those the qualities of a man ?". A wave of realisation swept over the boy as he became aware of his own deeds. The king said, "If you had understood this earlier and had been satisfied and proud of your actions, you would have lost interest in your desire and given up. Since you believed in yourself and never gave up , you are now truly a man!"

A TRIP TO MANALI

I had gone to Manali during my summer vacation as a volunteer to help teach blind, deaf and dumb people the basics of mountaineering. I myself was a beginner but it was fun. I was helping a girl named Angmo and I was very excited. Angmo couldn't see so it was really a challenge to help her.

We first had to go through a small stream but it was an arduous task to guide Angmo through it. She would be uncomfortable, if she stepped into the water. We had warm food made by the cooks. It was so cold outside. We used to sleep in tents which was very scary.

We learnt how to tie knots of different types and pack all our needs. We also learnt how to trek with a 10kg bag. It was really nice. Angmo was amazing and had a lot of talent. She could trek for as long as she wanted and she was really strong. I learnt a lot on this trip, not only about mountaineering but that people who lack something know how to survive without it and are gifted with a natural aptitude for other things.

MY TRIP TO VIZAG

My trip was very nice. I went to Vizag. It is a very neat place. There are beaches in Vizag. I saw ships anchored in the sea. I even saw a submarine. I went boating. The next day, we went to Araku in Vistadometrain. We enjoyed the train journey especially the train moving through tunnels. In Araku, the tribal museum is the best place to visit. Everyone enjoys the coffee aroma, tribal's Dhimsa dance, nice greenery and campfires there. After that we visited Borra caves. We saw caves in the shape of a brain, lion, corn cob, elephant, snake etc. After returning to Vizag, we visited Rushikonda beach, R.K. beach, Buddhist monastery and the Vizag museum.

Addanki Abhiram,  
I

**CONGRATULATIONS**

Hearty Congratulations to **VEDANTH RAJA of LKg-C**, who has won the 3<sup>rd</sup> prize in Singing and 3<sup>rd</sup> prize in Drawing in the Inter-school competition organized by Shree Sharada Utsav Samiti, Ullal, Mangalore on 16/10/2018. He was awarded certificates and trophies.

**LAKSHANYA of UKg E** has successfully completed the traditional SHAOLIN WUSHU/KUNG FU, with standard rules and regulations of SHAOLIN WUSHU and QI GONG KUNG FU CULTURAL CENTRE-INDIA. She got certified and promoted to the rank of yellow belt, after clearing a set of tests comprising of punches, blocks and kicks. Nanchuk basics and endurance exercises like frog jumps, duck walks etc. Kudos to Lakshanya !

Shreyas Sreenivas, a student of III B won a trophy in the open Elementary category at the World Robot Olympiad 2018 (WRO) held in Ahmedabad on the 15th and 16th of September, 2018. Organized by the India STEM Foundation, over 1000 students from all over India took part in the WRO this year. The theme for the event was "Food matters." The students were asked to exhibit and present their solutions about how to reduce food waste and improve food distribution and management.

Shreyas and his team (named SHM 876), presented their model which showcased "The Farm of the future" that included cultivation of crops using hydroponics, solar powered greenhouse, desalinated sea water, and use of robots to help with maintaining crop health, harvesting and pollinating the crops. The robots were made using Lego WeDo 2.0 and WeDo 1.0 kits.

Bethany Inter school relay for girls was held on 29<sup>th</sup> August, 2018. Anvi of Std II, Manasa of Std II, Samrudhi of Std I and Akshara of Std I won the silver medal in 4x50 mtrs relay.

Bethany Inter school relay for girls was held on 29<sup>th</sup> August, 2018. Ushana of Std III, Diti Fiona of Std II, Keerthana of Std III and Anushka of Std IV won the silver medal in 4x50 mtrs relay.

Bethany Inter school relay for girls was held on 30<sup>th</sup> August, 2018. Mrunalini of Std V, Prithika of Std V, Aditri of Std V and Sneha of Std V won the bronze medal in 4x150 mtrs relay.

Bethany Inter school relay for girls was held on 30<sup>th</sup> August, 2018. Saanvi Varma of Std VIII, Oviya of Std VII, Raksha of Std VII and Harini of Std VII won the silver medal in 4x150 mtrs relay.

Vedant Venkat Athreya of Std III-D won 3 medals - 1 Gold medal in Individual Kumite event and 2 silver medals each in Individual Kata event and Team Kata event at the Annual Karate tournament conducted by Jyoshinmon Shōrin-ryū at the Domlur club on 11 Nov, 2018.

Deva Matha School conducted an Inter School Athletics Meet for Girls (Junior) on September, 2018. Saanvi Varma of Std VIII, Oviya of Std VII, Raksha of Std VII and Harini of Std VII won the gold medal in 4x100 mtrs relay.

State Level Inter School City Olympics was held for girls (Junior) on June 2018. Ushana of Std III, Gayatri of Std V, Savitri of Std V, Aditri of Std V, Saadhika of Std IV, Iniya of Std IV, Hansini of Std IV and Thejasvi of Std V won the bronze medal in 8x50 mtrs relay.
