A MONTHLY NEWSPAPER FOR THE STUDENTS AND BY THE STUDENTS

Bangalore, July 2023 CMM/BHE/DECL/NPP - 230 / 10 / 2033

INVESTITURE CEREMONY 2023

"Leadership is the capacity to translate vision into reality."
 On the 14th of June, 2023 New Horizon Public School held the glorious, most awaited Ceremony, the Investiture Ceremony - On this momentous occasion, the newly elected council members of the academic year 2023-24 were ordained to uphold their duties and responsibilities. Each one who stood there as the elected ones to receive his/her badge deserved to don the mantle of leadership and is indeed capable to take the school to greater heights. The badge symbolises a commitment, a passion and gives them the power to fulfil their duties in an unbiased and decisive manner.

It was a privilege for the students to witness the incredible speech of the alumnus of our school, Amogh Krishna, the school captain 2020-21. His speech was truly an enlightenment and a great inspiration for his juniors. It is rightly said by John Quincy Adams, "If your actions inspire others to dream more, learn more, do more and become more, you are a leader."
 The newly elected leaders of New Horizon Public School are truly justified to lead their housemates and the fellow housemates to excel in every aspect.

LEADER

LEADER, NOT A POST
 BUT A QUALITY,
 NOT JUST A TITLE
 BUT A RESPONSIBILITY,
 BUT HOW BEGOT LEADERS
 LEADER, A SCULPTOR WHO CARVED FOR
 PROGRESS FROM THE BEGINNING,
 NOT ONLY FOR SELF,
 BUT FOR HIS FELLOW COMRADES,
 MAN WHO LOST THE SIGHT OF THE
 SHORE AND WENT TO SEE THE
 HORIZON,
 MAN WHO THOUGHT FOR HIS PEOPLE
 IS A LEADER,
 ONCE A LEADER, ALWAYS A LEADER
 LEADER FOR HIS HEART AND HIS
 PEOPLE.

INTERNATIONAL YOGA DAY

YOGA IS A LIGHT WHICH ONCE LIT WILL NEVER DIM. THE MORE YOU PRACTICE, THE BRIGHTER THE FLAME.
 Celebrated on June 21, International Yoga Day celebrates the physical and spiritual prowess that yoga has brought to the world stage. Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment and harmony between man and nature. The idea of International Yoga Day was first proposed by our Prime Minister Sri Narendra Modi on September 27, 2014, during his speech at the UN General Assembly. In order to highlight the importance of yoga and meditation in the life of a student, International Yoga Day was celebrated in New Horizon Public School. The students enthusiastically took part in the yoga session conducted by Ms. Akila J.

PARENT ORIENTATION

The Orientation Day for the pre-primary division gives an opportunity to the parents to have an insight into the year in which their children will be progressive. The annual event was conducted this year on the 27th of May 2023. The event began with a brief prayer followed by an inspirational video after which the gathering was addressed by our Honourable Headmistress Mrs. Ekta Batra. The class teachers of each section were introduced to the parents. Subsequently, a list of rules for students was presented as well. This included guidelines on preparing the young students for kindergarten, rules regarding uniforms, homework and the bus facility. The events of the day were then wrapped up with an interactive session during which the parents' raised queries which were answered by our Headmistress. The orientation programme had certainly motivated the parents to look after their children in a systematic manner. The entire event was applauded by all the parents and it proved to be successful.

FATHER'S DAY

On the occasion of Father's Day, the tiny tots of the pre-primary division celebrated their love for their Fathers!

A Father is neither an anchor to hold us back nor a sail to take us there, but a guiding light whose love shows us the way and always finds the greatest happiness in seeing their children happy. In order to express this special bonding with their fathers, Father's Day was celebrated in a spectacular way on 16th and 19th June, 2023 at NHPS. Our beloved Headmistress Mrs Ekta Batra addressed the dashing and handsome fathers. The occasion was extraordinarily remarkable as the fathers and the kids were dressed in blue and white, participated in games, dance and were felicitated with ties and "Best Dad Ever" badges and many more activities. The entire occasion was touching, rejuvenating and moved many daddy dears to joyful tears.

INTERNATIONAL YOGA DAY

June 21st, 2023 marks a special day of unity and tranquillity as the world comes together to observe International Yoga Day. Since its inception, this global celebration has gained immense popularity, bringing millions of people from all walks of life onto their mats to embrace the ancient practice of yoga. As we commemorate this day, NHPS Pre-primary division organized a Special Yoga Session for the tiny tots wherein a small group of children along with the teachers demonstrated easy Yoga poses like Trikonasana, Tadasana, Uttanasana, Sukhasana to name a few. These Asanas let us delve into the significance of yoga and the positive impact it has on our physical, mental, and spiritual well-being. Beyond the physical realm, yoga is known to have profound effects on mental health and emotional well-being. As we celebrated this International Yoga Day at NHPS, the children were encouraged to honour the rich heritage of yoga and embrace its teachings and to extend our practice beyond the mat into our daily lives. Together, let us cultivate a world that values well-being, unity and harmony.

WORLD ENVIRONMENT DAY 2023 - 24

On the 5th of June 2023, the pre-primary students observed the World Environment Day. To bring about awareness amongst the students, a special assembly was conducted. The teachers explained the importance of saving trees and how animals and birds would be affected without trees. Students enthusiastically made their take-away about the importance of 'Saying NO to Plastics' and 'Going green'. Children walked in the corridors of the Pre-primary division reciting slogans on saving the environment. The celebrations concluded with a pledge by the students on 'Save trees' and 'Save nature.'

RED COLOUR DAY

Colours are beautiful and they fill our lives with vibrancy and happiness. Red is the colour that is on the outside edge of the rainbow! One of the best ways to introduce the colour Red to the children is to have activities around the colour Red. With this objective, we at NHPS Pre-primary Nursery Section, celebrated "RED DAY" on 11th June, 2023 illuminating the school atmosphere with love, smile, energy and excitement. Red, the single most dynamic and passionate colour which symbolizes love, warmth, and excitement and our tiny tots filled with these qualities. The children were amused and were very happy to see the red craft work made by them on display. The tiny tots looked stunning in their red outfits and shared their red snacks with the class. The Red Day celebration was a wonderful learning activity, which helped children to sort and classify objects based on colours thereby reinforcing cognitive skills. The children thoroughly enjoyed their practical learning experience.

BLUE COLOUR DAY

Colours have the power to evoke emotions, stir creativity, and symbolize various aspects of our lives. Among the spectrum of colours, blue holds a special place, representing calmness, serenity, and depth. Blue Colour Day is an occasion dedicated to celebrating this captivating hue. All the teachers and children came dressed in different shades of blue. The children were made to play games and do different colouring activities. They were thrilled to see the corridor decorated with blue bunting and shared their blue belongings with their friends. This celebration in Pre-primary division was an amazing learning experience which had a long-lasting effect on every child. Children enjoyed the day with immense enthusiasm and zeal. It was indeed a visual treat to see the good effects of blue colour on the little ones.

WHO IS TRULY LEARNED ?

Students sweat at the thought of exams. When they pass exams at various levels and in the end, earn their degrees, they are entitled to call themselves educated. Chanakya Pandit, a famous Indian teacher, philosopher, economist, jurist and royal advisor, tested a person's education by three yardsticks of character and ethics.

Mathravath Pardaareeshu
Paradravyeshu Loshtravath
Athmavath Sarvabhuteshu
Yah Pashyathi Sa Panditah

Test one: Mathravath Pardaareeshu

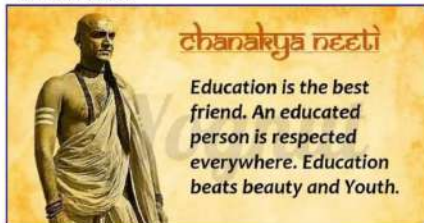

In the ideal Vedic system of education, a properly trained student should be able to honour all other women as their own mother and all men as their own father.

Test two: Paradravyeshu Loshtravath

A learned person looks upon others' property as stones or garbage in the street.

Test three: Athmavath Sarva-Bhuteshu

An educated person sees other living creatures as he sees himself. A person, educated to treat others as he treats himself, will naturally be nonviolent and honest, will not cheat others, will always speak beneficially and will not hurt anyone even with his words.

Does our modern colonial system of education teach the above principles or is it just producing skillful engineers and doctors, lacking the real purpose of education? We are seeing the crime rate increasing all over the world. If every learner is raised with the above principles, firmly entrenched in his upbringing and well protected by ethical and spiritual wisdom, will a peaceful world not be a natural outcome? Should this not be the goal of having an educated populace?

Values Plus Team

FACTS

The original name for the search engine Google was Backrub. It was renamed Google after the googol, which is the number one followed by 100 zeros.

The oldest-known living land animal is a tortoise named Jonathan, who is about to turn 190 years old. He was born in 1832 and has lived on the island of St. Helena in the Atlantic Ocean since 1882.

Polar bears have black skin and actually, their fur isn't white—it's transparent, so it appears white as it reflects light.

Flamingos are only pink because of chemicals called carotenoids in the algae and fish (which also eat the algae) they eat; their feathers are greyish-white when they're born.

Ridhanya.S, VIII A

STAY HAPPY

A feeling that makes us smile,
It will only last for a while.
Making someone laugh is hard,
But when you know someone is happy because of you, that is the biggest reward.

The abstract noun of 'happy' is 'happiness',
Spreading happiness should not become business.
Happiness should be spread far and wide,
Happiness also kills pride.

So, lets spread this feeling in this pandemic,
And fill positivity in everyone's heart,
And eat more of citric,
And lighten people's life with a new start.

Shriya Gururaj, VIII C

EL DORADO

The dream of El Dorado, a lost city of gold, led many a conquistador on a fruitless trek into the rainforests and mountains of South America. El Dorado is referred to the legendary kings of the Muisca (Chibcha) people who populated the northern Andes of modern-day Columbia. The name is derived from the ritual when the new king was covered in gold dust before he leapt into Lake Guatavita. The king was so rich that he himself would be covered in gold from head to toe each morning and washed it off in a sacred lake each evening. Juan Martinez ,on his deathbed, told that El Dorado exists and he told that he visited El Dorado. These words turned up the fire in the hearts of the explorers which resulted in many fruitless excavations. They say this mysterious land lies somewhere in Southern America hidden in Amazon forest. Gold drew others to explore the region, but none could find the people of whom the first conquistadors had spoken.

Men from the past, present and future always ran or will run for the city. But the vital question is if the city of gold existed? If yes, where is it? Scramble for El Dorado never stops. Many rumours spread wide. Few say El Dorado, the city of untold riches, never existed.

El Dorado, the man, did exist. His homeland near the lake was found, but it did not contain the mythical riches that explorers sought. Kolar gold fields (KGF) is referred to as El Dorado in India for his rich gold mines.

Again, existence of El Dorado is still questioned but if someone goes an extra mile, probably the answer will be found. For every question, the answer lies there. If anyone finds it probably they would be the richest man ever seen. But, if anyone discovers El Dorado, they own the world.

Adhithi K, 10C

VALUE OF THE MONTH - PATRIOTISM

SOMEONE

"I'm fine"
Biggest lie after time
I don't talk but I still hear my voice
Peace doesn't matter on my choice
Life is just a war between me and my mind
Solitude is the rarest thing you could find
The mood is to laugh but I cry
My dream is to live but I die

Someone is devouring my mind but it isn't me
Someone is causing a tsunami but it isn't the sea
Someone is malfunctioning my brain but it isn't him
Someone is using my name but it isn't a heteronym
Someone is in my mind but it isn't me, not me

"I lasted"
Biggest deceit after "co-existed"
I don't want to think but I still hear my thoughts
This is the worst chastise I've ever got
Life is just a game of who will survive till the end
And there is no such thing as a loyal friend
The time is to sleep but I fight
The rule is to go left but I go right

Someone is devouring my mind but it isn't me
Someone is causing a tsunami but it isn't the sea
Someone is malfunctioning my brain but it isn't him
Someone is using my name but it isn't a heteronym
Someone is in my mind but it isn't me, not me

Deepika, 9 C

YOUNG ACHIEVERS

An art enthusiast, Bhavana UV of Class IX D has an in-built desire to learn and grow. She is a kind and lovable student. She is good in academics and is a classical Bharatanatyam dancer. She is an excellent mandala artist. Some of her recent works like invitation cards, cover page of the school diary, and the school house board inspired everyone. Her hardworking nature enables her to strike a harmonious balance between her love for art and her commitment to education.

We are very proud to announce that Sindhooora R of grade 10B was selected as one among the 127 attendees PAN India for the Summer Outreach Programme organized by the Indian Institute of Science Education and Research (IISER) Bhopal, Madhya Pradesh which took place from 15th to 20th May, 2023. Sindhooora R also secured second place in the painting competition held during the event. Congratulations to Sindhooora on this brilliant achievement!

Maya Subhash of Grade 3B participated in the National Level Open Championship of Abacus/Vedic Maths organized by National Skill Development Corporation (Indian Institute of Vedic Maths and Abacus). Maya secured the 2nd position as the batch topper in the National Level Senior K3 category. Congratulations to Maya!

Vedanth Raja of grade 4B secured 1st Runner up in the Regional Level and 2nd Runner up in the National Level Kolor Champ 2022, conducted by Global Art India under the Group B - Junior category. Congratulations to Vedanth on this achievement!

We are happy to share that Tanay Dalmia of grade 8 has won the 'Player of the Match' and 'Bowler of the match' in the Gopalan Save Water Cup U14 Cricket tournament. Congratulations to Tanay and we wish him good luck in all his future endeavours!!

We are extremely proud and happy to share that Abirami of grade 8 successfully completed the Everest Base Camp trek on 23rd May and the entire trek was completed in 14 days. 17600 feet is no joke! All of us at NHPS are proud of Abirami and prouder that she has taken a part of us with her! Congratulations!!!

Manasvi of grade 1 A secured the first position in the Wikkids Carnival's All India Sanskrit Scholars April 2023 Challenge. Students from across the country participated in this Shloka Competition. She participated in the under - 8 years category and sang "Kalabhairavastakam". Congratulations to Manasvi!

Sai Lingesh S I of V C secured the 2nd Place (U-11 category) in "Yonex Sunrise Karnataka State Mini & Sub-Junior (U-11 & 13) Ranking Tournament -2023 at Twin Bee Sport" by Karnataka Badminton Association and with this achievement, he claims Rank 3 of Karnataka. He has also secured 3rd place in the Under 11- Boys doubles category. Congratulations to Sai Lingesh for this achievement!
