**Ganesh Chaturthi Celebration**

Ganesh Chaturthi festival was celebrated by the pre-primary department with great enthusiasm, students and teachers together made the experience of the celebration very special and lively. The birth of Lord Ganesha and his origins were explained to students through a story supported by a Powerpoint presentation. Our little artists thoroughly enjoyed making Eco-friendly Ganesha idols.

**FANCY DRESS COMPETITION**  
BEST OUT OF WASTE

A fancy dress competition themed "Best out of waste" was held on the 2<sup>nd</sup> of August for our nursery students. Our tiny tots flaunted in costumes made up of waste material and spread a message of practising the three Rs - REDUCE, REUSE AND RECYCLE to save the Environment.

REDUCE, REUSE, RECYCLE

**GRANDPARENTS DAY**

"What children need most are the essentials that grandparents provide in abundance. They give unconditional love, kindness, patience, honour, comfort, and life lessons. A child needs a grandparent to grow a little more securely into an unfamiliar world."

To honour them New Horizon Public School celebrated Grandparents Day for the Pre-Primary department on 19<sup>th</sup> August 2022. The event started with a prayer for the grandparents to keep them blessed with good health. It was followed by a warm welcome speech from our headmistress. An enthralling performance by students left the grandparents spellbound and thoroughly mesmerized.

All the grandparents along with their grandchildren were invited through an e-mails. Many activities and games were organized for them. They enthusiastically participated in all the events. The event came to an end with a thanksgiving speech to grandparents by our Principal, which was followed by National Anthem.

Grandparents' day was a memorable one for the grandparents, who left with pleasant memories, loads of appreciation, and heaps of blessings to the school and its management.

**Janmashtami celebration**

Krishna Janmashtami was celebrated with great pomp and festivity by the tiny tots of the pre-primary section on the 18<sup>th</sup> of August. Dressed as Radha and Krishna, the cute little ones added a traditional touch to the entire celebration. The teachers' perfect performances, graceful dance, synchronized movements and attractive costumes, were the highlights of the show. Scenes like the birth of Krishna and dahi handi were beautifully portrayed.

**Varamahalakshmi Vratam And Friendship Day**

Varamahalakshmi Vratam is a festival celebrated to propitiate the Goddess Lakshmi. On 4<sup>th</sup> August 2022, our pre-primary department dressed up in their traditional best and offered prayers with gaiety and fervour. The puja was conducted inside the art room. A section of teachers decorated the art room with a lot of zeal and zest. The Goddess was offered fruits, dry fruits, fresh grains, sweets, savouries, and also a Kalasa decorated with flowers. Class wise all the children visited the Art room where they offered prayer to the Goddess and prasada was distributed among everyone. There is something about childhood friends that you just can't replace! The entire pre-primary section also celebrated Friendship Day on the same day. The pre-primary learners celebrated the day with their friends and teachers and exchanged friendship bands. The friendship bands were made by all the respective class teachers. All the class teachers were into designing the friendship bands. Therefore, Varamahalakshmi Vratam and Friendship Day were celebrated with lots of fun and enthusiasm.

May Lord Ganesha bless you with never-ending happiness, prosperity and luck.

**TEACHERS' DAY**

A good teacher can ignite the imagination, inspire hope and instil love for learning in a child.

Teachers' Day is celebrated every year on the 5<sup>th</sup> of September to honour, acknowledge and celebrate the incredible contribution of teachers to the society. When we think of the word – teacher – our minds are filled with a sense of love, awe and respect for those who have mentored and guided us. The students of New Horizon Public School truly made this day a special one for all the teachers. The students enthralled the teachers with their incredible talent. The friendly basketball match between the teachers and the students was indeed the highlight of the day. Let's pay tribute to the teachers, who helped us achieve our goals, who prepared us to face our challenges boldly, and those who helped us navigate through difficult paths. A big thank you to all those amazing teachers who have brought about a change, making a difference in the lives of their students.

## THRILLER PARTY

A happy family of a loving Father, a caring Mother, and handsome identical twin boys named Ramesh and Mahesh were returning home after a tiring trip. So, they all went to sleep very early.

The next morning at 5:30 A.M. the mother had a severe stomach ache. They all thought it was just the fatigue from the trip. They waited till 10:15 A.M. but the stomach ache wasn't cured. Then they went to a hospital.

The doctors said that a baby is there in the mother's womb. The family was in Cloud 9! Then, after 7 to 8 months the mother again got a stomach ache which was more severe than the other time. This time they rushed the mother to the hospital. They thought a new family member was born but as a big surprise twin again: But this time unidentical, a girl and a boy. The family was elated.

The girl was named Misha and the boy was named Hires. Now there were 4 children in the house, 3 brothers and 1 sister. So, all brothers showered love and kindness towards their only sister.

Time flew by very quickly and the family planned to celebrate the first birthday of Misha and Hires. As an exciting fact, Ramesh and Mahesh were also born on the same day and the month, but 10 years ago. So, a grand party was planned in Gopalan Mall to celebrate the birthday of all 4 kids.

Their parents booked a swanky party hall at the mall.

Then Ramesh and Mahesh also invited 11 friends. They also went bowling there. They had borrowed a few sports shoes and clothes from the bowling centre. When they went to return them, Ramesh went to put back his clothes and since the closet area was very large, he started to look around the closet. Before he could get out of there someone unknowingly closed the door of the closet and somehow the lock got jammed. Ramesh was now inside the locked closet without any lights.

Ramesh started getting scared as it was very dark. Soon his family and friends started searching for him. Ramesh banged the door but no one could hear it because of the loud music in the bowling area.

Mahesh thought that Ramesh was playing 'hide and seek' as usual, so he began searching for him under the seats. Still, he couldn't find him. He then realized Ramesh was missing. Ramesh was missing for half an hour. He saw a beam of light on his face. He got scared. Then he saw his smartwatch. His parents gifted him and Mahesh the same brand for his birthday.

At the same time Mahesh also suddenly remembered the smartwatch and he tried to do something with it.

There was an option called "Find Paired Device" which was Ramesh's watch. Mahesh then clicked that option but it showed an error message saying that the paired device should have also turned on the option to activate this feature. After some time, Ramesh magically recollected about this feature and clicked it and this time it got paired for both. For Mahesh, it showed Ramesh was only 100 meters away from him. When he came to the shoe section, with the help of watch tracking, Mahesh could anticipate where Ramesh was.

Then Mahesh saw a little light through the translucent door of the closet and reported it to security. However, he was completely ignored by everyone. But Mahesh's instinct told him to check there again. Mahesh came back to the shoe section and this time Ramesh also saw a little light through the translucent door.

He realized Mahesh was just near him and started banging on the door. As Mahesh was close by, he heard the banging of the door and tried to open the lock - no luck. Mahesh screamed for help. Security came running and broke open the lock. Ramesh was free and reunited with his family.

Everybody was sorry for ignoring Mahesh and started praising him for his tech-savvy skills which saved his brother. That's when the real party began and 22 candles were lit up, do you know why? Happy birthday to all...

## CLANDESTINE MOMENTS

Her eyes moved quickly, anticipation increasing with every word as she could feel the adrenaline rush through her veins, just like the characters in the book. She felt their fear, love, pain, sadness, and much more.

When people asked her to do anything, she felt an inexplicable sadness. The unfinished story swirled through her mind over and over until she finally got the chance to continue it. And when she finished it, her emotions were mixed. She was happy for it to have ended but it hurt how fast the journey was over.

And every new book she opened took her into a new world, with even more people and places - unimaginable things and memories that were known to all yet so hidden. Beautiful instances were locked away in the most private corners of her mind - not memories of her own but of people that never existed.

She was a reader and a dreamer. She spoke about books so passionately that they wanted nothing more than to be the characters she had fallen in love with so hopelessly.

## RELIGION, A REAL PERSPECTIVE! - PART 1

There are many religions in the world, and every follower says he believes in God and that God himself has given them the scriptures. If God himself has given scriptures to all of them, then **Why are there different scriptures? Why are there differences in the scriptures?**

A manufacturer manufactures only one product but gives different manuals to people. Is that right? No, it is wrong. Even though the product and the manufacturer are the same, the manuals given to people are different. That sounds odd.

Does every religion claim that God has given them the scriptures? Then why do we have different scriptures? Why are there differences?

The authentic scriptures have no difference between the truth and the principle. In accordance with time, place and circumstance, the details and practical applications may vary – but the principles never change. So, different scriptures are meant for different audiences and are revealed accordingly. There is no change or contradiction in principle.

One who seeks the spirit of the law is a real follower. One who sticks to the letter of the law becomes a fanatic. The problems are not because of the scriptures. The scriptures are pure because they are revealed by the Lord from within and the messenger becomes an instrument to deliver that message. So, all bonafide representatives of the Vedic body of knowledge, at different places, and at different times have interpreted the details differently, but the principles remain the same.

All the scriptures agree that the Lord is Supreme. La illah ilallah – There is no one other than the Lord. Even in the Bible, it is claimed that the Lord is Supreme. There is no one above him. The Bhagavad Gita also says – God is Asamourdha. There is no one equal to him or above him. The principle is the same.

The essence of every religion is to surrender to God. When one of the scribes asked Jesus Christ which was the most important commandment, he said, "Thou shall love thy God with all thy heart, and with all thy soul, and with all thy mind. The second commandment is this: Love thy neighbour as thyself". The meaning is love, and love means to surrender.

What is Islam? Islam means surrender, and the Bhagavad Gita also concludes "Sarva dharmaan parityajya mam ekam sharanam vraja" – Abandon all varieties of religion you have concocted and completely surrender unto Me.

So, the principle of all religions is the same
