EXCELLENCE AWARD

We are proud to share that New Horizon Public School is Ranked No. 8 in India, No. 4 in Karnataka and No. 4 in Bengaluru under the Category 'India's Top 20 Preschool' in a survey conducted by Education Today.

We are proud that New Horizon Public School has proved its prowess yet again in the field of education by being ranked the Number 2 ICSE School in Bangalore and Number 1 in Indiranagar Plus as per the Times School Survey 2023.

At NHPS, we believe that education is not just mere accumulation of facts; it is a preparation of life itself. Our academic programme is built around the needs of the competitive world we live in. Our teachers are passionate and committed and leave no stones unturned to ensure that knowledge is imparted in a fun but effective manner.

We proudly share that New Horizon Public School is Ranked No. 13 in India, No. 4 in Karnataka & No. 4 in Bengaluru under the Category Top 20 ICSE Schools in a survey conducted by Education Today.

ABOUT US

NHEI

Founded in 1970, NHEI has been carrying the legacy of innovative education, with the vision and mission of imparting holistic development to each learner, for more than 50 years. It is the constant manifestation of the Institution's motto "In Pursuit of Excellence" that earned the prestigious Rajyotsava State Award in the year 2012.

NHPS

Receiving quality education is one of the key cornerstones of life and this is what we aspire to do at New Horizon Public School. We provide a conducive and stimulating environment where children can explore and develop every facet of themselves, enabling them to channelize their true potential in the pursuit of excellence. Our children are leaders of tomorrow and it is of utmost importance that they develop a good character. We, at NHPS believe in providing world-class education while being steeped in the rich traditions and values of India. We aspire to blend the latest in technology and teaching methodology with the traditional cultural values to optimize learning and empower them to become global citizens.

Vision

To be a globally recognised centre of excellence, empowering confident and responsible Horizonites through innovative, experiential, tech-integrated pedagogy rooted in values, national pride and global perspectives — shaping leaders for a sustainable and developed Bharat.

Mission

To nurture curious minds, through holistic education in an environment rich in values, culture and learning experiences with a commitment to excellence, well-supported by world class infrastructure and facilities, that will shape our students into future leaders of Bharat and globally acclaimed leaders in their chosen field.

Values

We believe that a focus on value-based education inspires children to adopt values of integrity and discipline and to live by them. A strong spiritual, moral & cultural environment contributes to the student's academic success, along with excellent personal character development.

CHAIRMAN'S MESSAGE

Dear Parents,

At New Horizon, our vision is to be a globally recognised centre of excellence, where every Horizonite is empowered to become confident, responsible, and future-ready. We are committed to nurturing young minds through innovative, experiential, and technology-integrated pedagogy, while staying deeply rooted in values, national pride, and a global outlook.

Our school provides excellent infrastructure that supports holistic learning, complemented by a team of competent and supportive educators who guide and inspire students every step of the way. Our focus goes beyond academics; we aim to shape compassionate leaders and creative thinkers who are prepared to contribute meaningfully to a sustainable and developed Bharat, as well as to the wider world.

By fostering curiosity, resilience, and integrity, we ensure that our students grow into individuals who not only achieve personal success but also make a positive impact on society. It is my heartfelt commitment that New Horizon continues to provide an environment where every child can explore, innovate, and realise their fullest potential. Together, we are building a future of excellence, purpose, and global citizenship.

Dr. Mohan Manghnani
Chairman, New Horizon Educational Institution

PRINCIPAL'S MESSAGE

Preparing Children for a Life Full of Possibilities

As Principal, I often reflect on the world our children will step into when they leave the walls of our school. The truth is, it will look very different from the one many of us grew up in. Gone are the days when a single career path was the norm. The future belongs to those who can weave together a portfolio of skills, passions, and experiences—what we now call a portfolio career.

At our school, we believe education must prepare children not just for one career, but for a lifetime of opportunities. Along with academic excellence, we place strong emphasis on value education—teaching our students not only empathy and integrity, but also the importance of staying rooted in our culture, respecting traditions, and giving back to society and the nation. These values provide the moral compass that ensures their skills and talents are used with purpose and responsibility.

We nurture this mindset by:

- Encouraging exploration across academics, arts, sports, and technology.
- Building life skills such as confidence, empathy, adaptability, teamwork, and communication.
- Promoting creativity and problem-solving through projects and cross-disciplinary learning.
- Providing real-world exposure through guest talks and workshops.
- Fostering resilience and adaptability, so children develop the courage to reinvent themselves in a changing world.
- Imparting value education, so that our students grow into compassionate, culturally grounded individuals who contribute meaningfully to society and the nation.

Our commitment is to raise children who are anchored in values, confident in spirit, versatile in skills, and future-ready—prepared not just for a job, but for a future where they can thrive and make a difference

Ms. Anupama Sethi
Principal, New Horizon Public School

CURRICULUM

Secondary (High School) subjects include:

English language and English literature

II Language (Hindi/Kannada/Sanskrit)

III Language (Hindi/Kannada)

Mathematics

Social Studies (History and Civics, Geography)

Computer Applications

General Science (Physics, Chemistry, Biology)

From Grade IX onwards, the school offers elective subjects including Commercial Applications, Commercial Studies, Computer Applications, Economics, Physical Education, Art, Robotics and Artificial Intelligence.

ASSESSMENT

The evaluation structure in secondary school consists of two tests, one terminal examination, and one annual examination during the academic year.

A comprehensive report card—detailing marks for all subjects—is provided after each term's assessments.

For Grade X, the evaluation comprises two exams and two model exams to prepare students for the ICSE Board Examinations.

Co-Curricular Activities (Primary & High School)

Students can participate in a variety of co-curricular offerings, including:

Music (Vocal and Instrumental)

Dance

Art & Craft

Literary Club

Storytelling

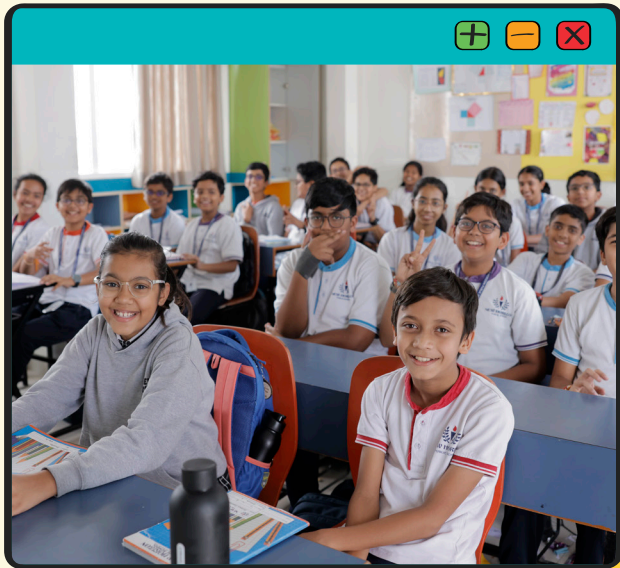

Science Club

ATL (Atal Tinkering Lab)

Life Skills

INFRASTRUCTURE AND FACILITIES

Learning Studios

The large, well-ventilated classrooms create an inviting and nurturing learning environment. They are described as spaces “where magic never stops and friendships start.”

Learning Center

Our Qualified Special Educators and Counsellors help the students with the additional help they require to be at par with the others. Special care is taken to help the students with patience and love.

Information Centre

The junior and senior libraries are well stocked with a variety of genres, catering to a wide range of student interests. They are portrayed as perfect settings to stimulate imagination and creativity.

Music Alley

A perfect place for students to relax, unwind, and express their feelings.

Dance Alley

An excellent outlet for students to showcase their creativity, agility, and passion for the arts.

Sports Ground

Our school features 2 basketball courts and 1 volleyball court, along with a variety of sports equipment for physical activities. The ground encourages fitness, teamwork, and an active lifestyle among students.

Biology Lab

A well-equipped Biology Lab where the students can perform experiments and study about life with ease.

Chemistry Lab

A state-of-the-art Chemistry Lab, where the students can conduct experiments to learn chemical concepts, view changes in matter and acquire scientific skills.

Physics Lab

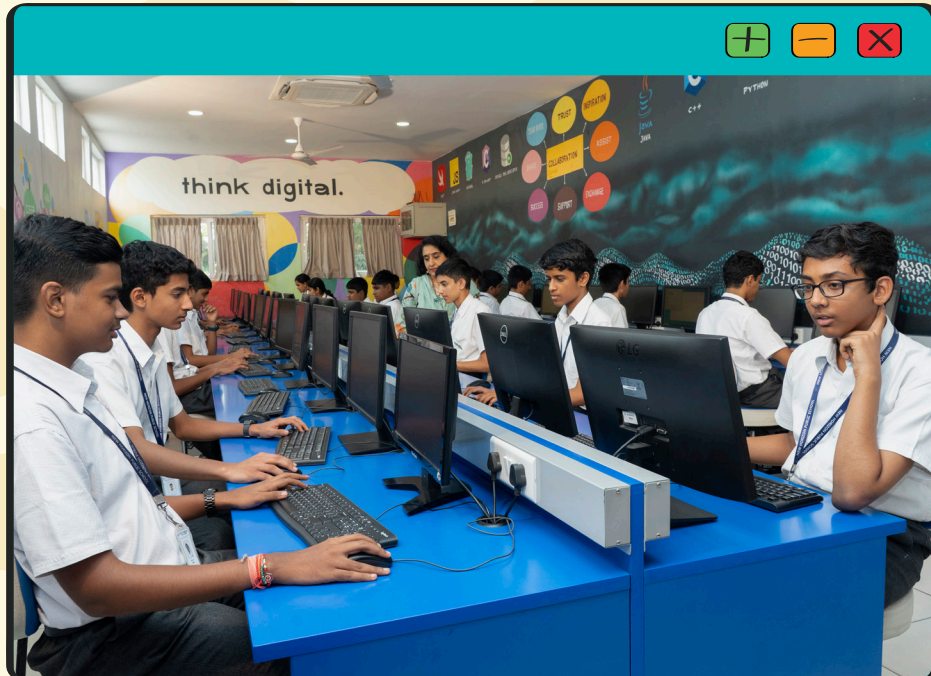

An avant-garde Physics Lab, equipped with modern equipments, is the perfect setting for the students to learn the concepts of physics through hands on experiments.

Anatodyne

An interactive panel that simulates a three dimensional model of the human organ systems. A sophisticated software is used to capture the intricacies of the functioning of the human body.

Computer Lab

Two state-of-the-art Computer Labs, well-equipped to provide hands-on learning opportunities to primary and high school students.

TINKER ZONE

A great opportunity for the students to foster curiosity and creativity and to be innovators of the future.

FUTURE READY LAB

Being self reliant is the need of the hour and these skills are imparted in the Life Skill Lab.

POWERPLAY ROOM

A range of different sports like table tennis, chess, carrom are played in a climate controlled environment.

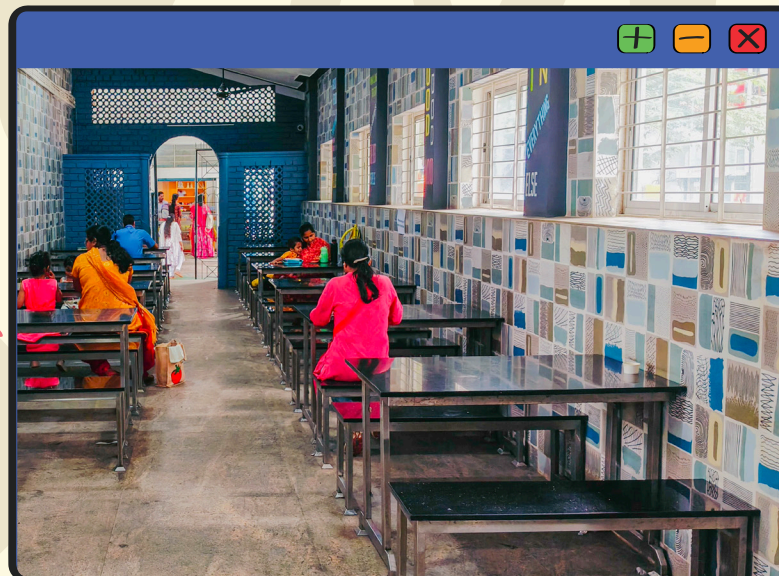

Auditorium

A spacious, AC auditorium, a perfect setting for the extraordinary and grand moments in a student's life.

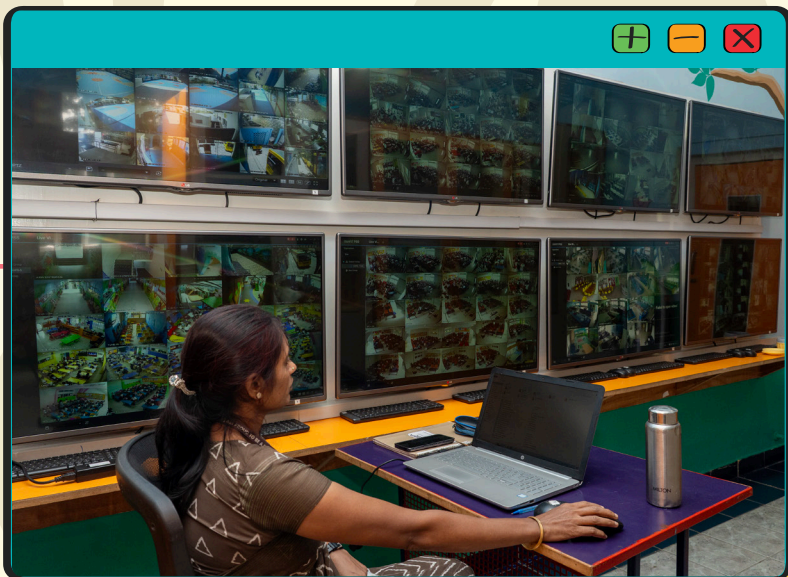

DISCOVERY ZONE

Hands-on experience for the students to learn through working models, experiments and projects. A fun and innovative way to learn and enjoy science.

Cafeteria

A variety of delicacies to satisfy the taste buds of our students are available in a warm, clean and welcoming environment.

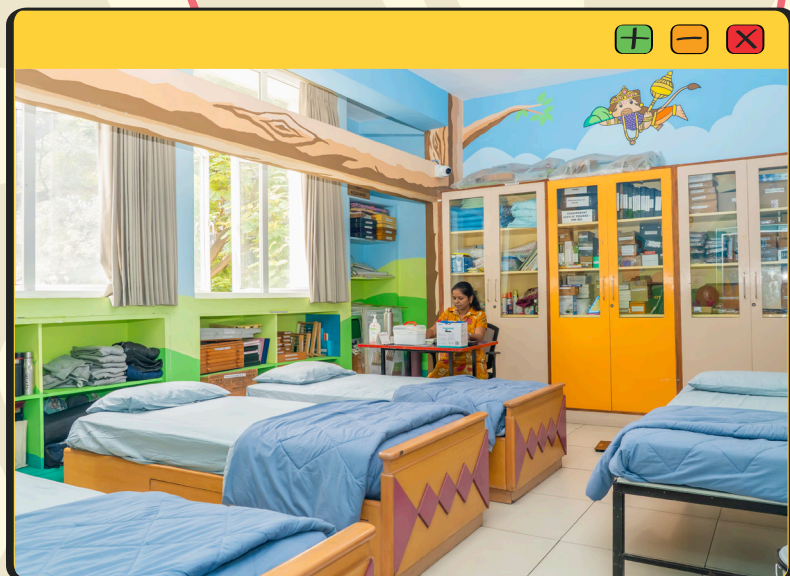

Security

Safety of our students is our top most priority. Classrooms and corridors are monitored with CCTV cameras. The CCTV personnel is constantly monitor the students from the time the students enter the campus till they depart. Efficient security guards are stationed at every gate to ensure the safety and security of the students.

Transport

A fleet of AC buses with real time tracking system and CCTV enabled ply to and fro from school. Students come to school feeling fresh ready to begin a new day in school.

Sanjeevani

The welfare of our students is something that we pride ourselves with. A qualified nurse is always around to help the students. Ambulance and doctor are on-call in case of any medical emergency.

AFTER SCHOOL ACTIVITIES

Bharatnatyam

Bharatnatyam, a revered classical dance is known to captivate the audience with its grace and beauty. The various hand gestures, the mudras and the facial expressions of the dancers adds to the charm of this classical dance. It also provides the students with the perfect platform to build their stamina and endurance.

Guitar

Playing a musical instrument is the perfect way for students to unwind and reduce stress. Playing the guitar can help the students enhance their memory, concentration and hand and eye coordination. It also fills them with confidence, discipline, resilience and a sense of accomplishment.

Keyboard

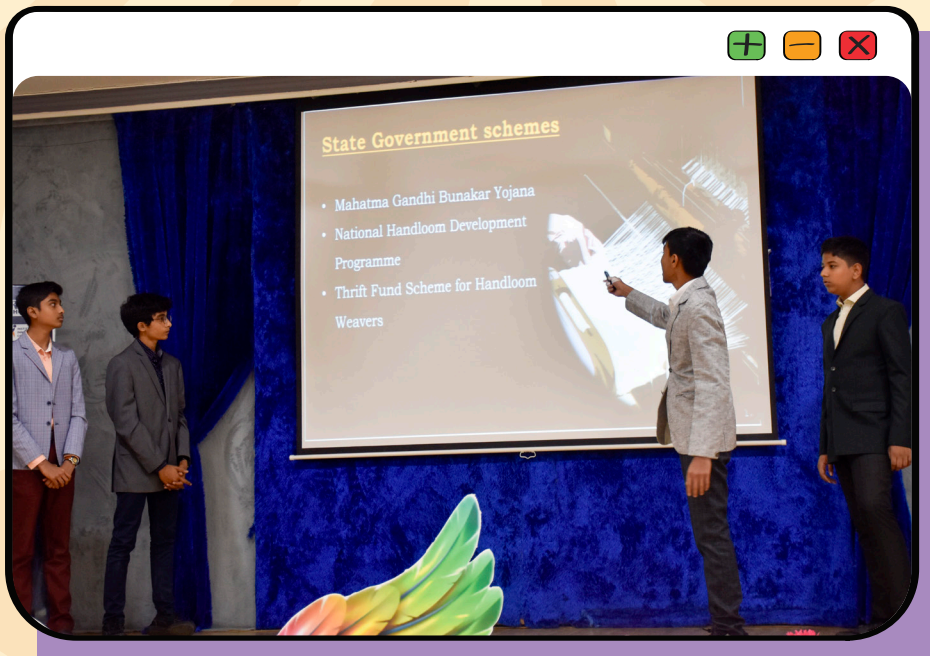

It is rightly said that where words fail, music speaks. Learning to play the keyboard will unleash the student's creativity and is the perfect outlet for music lovers to enhance their skills and talents. It also helps the students boost their cognitive skills and improve their hand and eye coordination.

Dance

Rich variety of dance styles to cater to every interest and skill level. From the elegance of classical Bharatnatyam and the energy of Hip-Hop to the expressiveness of Contemporary and the rhythm of Tap – there is a perfect class for all.

Entrepreneurship

Entrepreneurship is the corner stone of what makes a country great. The students of a nation are the leaders, innovators and entrepreneurs of tomorrow. This is a stepping stone for our young, dynamic geniuses to challenge themselves, move away from their comfort zone, take the initiative and fulfill their dreams.

Public Speaking

In today's world, having good communication skills is of utmost importance. It is an excellent platform for the students to increase their critical thinking skills and become better communicators in the future.

BEYOND CLASSROOM

Music

Music has the ability to soothe our soul. Be it Western music or Indian Classical music, the students are given a platform to display their soulful and angelic voices.

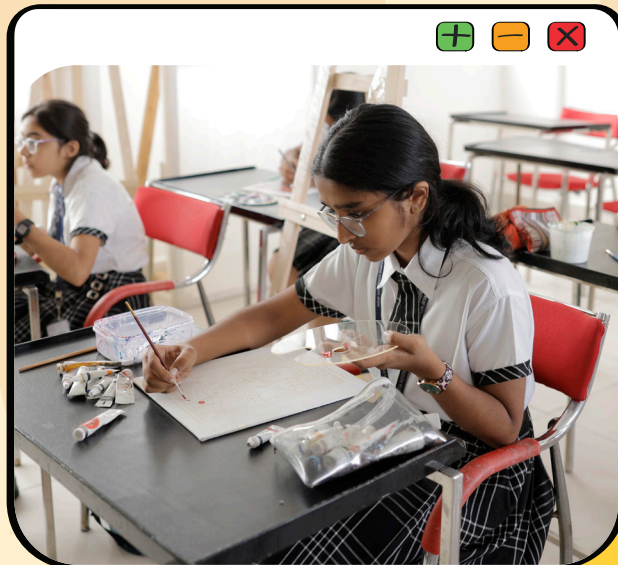

Dance

Dance is the perfect way to express one's innermost thoughts and feelings. Ample opportunity is given in school for the students to showcase their skills and talents in varied dance forms.

Art

Art is the perfect medium to express your thoughts and feelings on a canvas. Different styles of art are introduced to enhance the student's creativity and imagination.

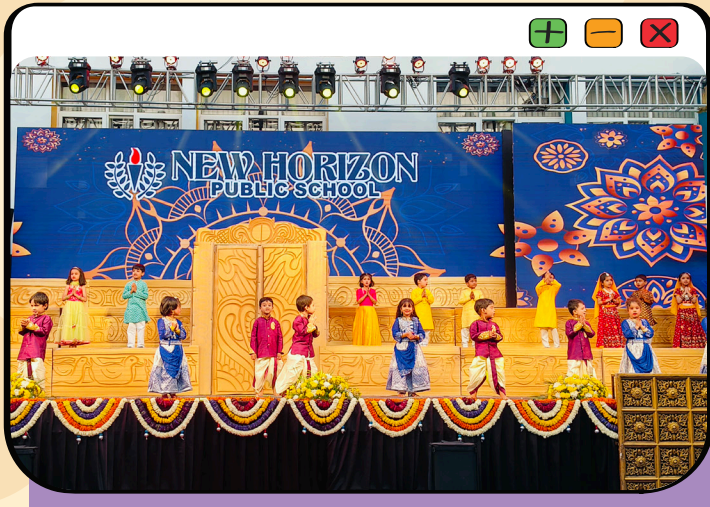

Sports

It is rightly said that a healthy mind resides in a healthy body. The students are introduced to a variety of indoor and outdoor sports to help improve their strength and stamina and to develop in them the spirit of teamwork, coordination and sportsman spirit.

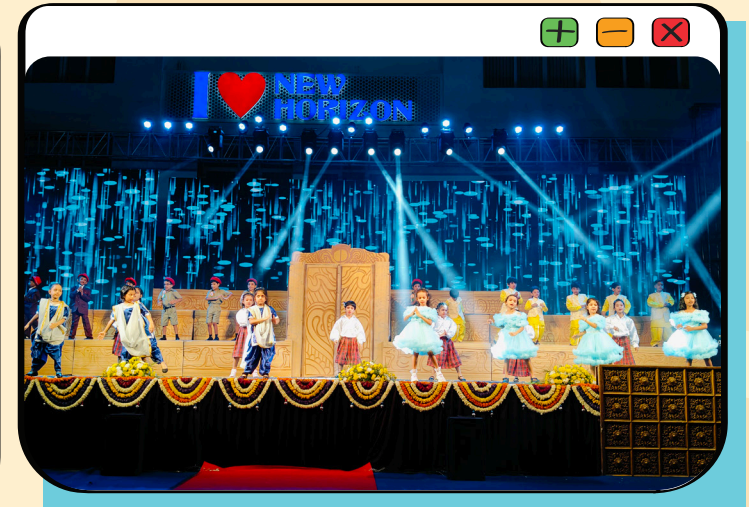

BEYOND ACADEMICS

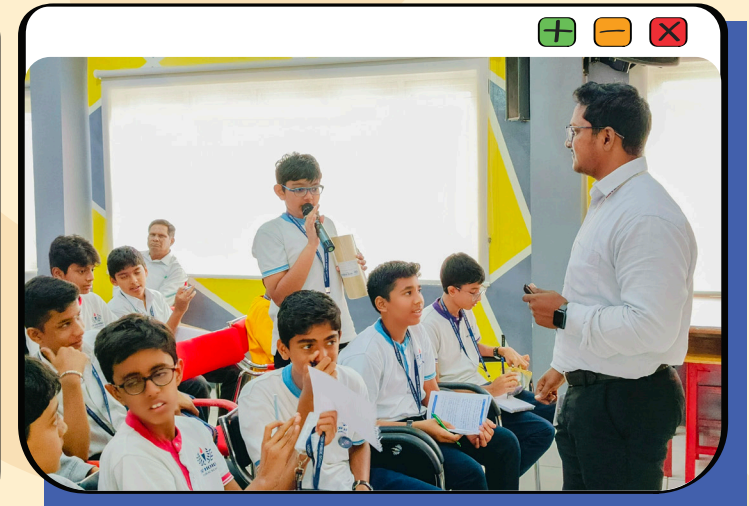

Annual Day

A magical journey where imagination takes wings and creativity comes to life. The perfect backdrop for our budding actors to display their acting, and dancing skills. The themes vary every year to make it interesting and entertaining – from showcasing the rich Indian dance forms to the intricate western dance styles.

Technology & Creativity

At our school, students are well-equipped with modern technology and digital tools that enhance learning and creativity. Through ongoing Adobe workshops, they explore AI, graphic design, poster-making, and multimedia activities, bringing their ideas to life and developing skills essential for the future.

Mentor's Day

A heartfelt celebration where children thank the Chairman and their teachers with songs and handmade cards.

Investiture Ceremony

A formal school event where newly elected or appointed student council members are ordained and officially vested with their responsibilities.

NH Cup

State level interschool sports tournament where students across the state compete for various sports like volleyball, basketball, chess, football, badminton, yoga, carrom.

Ganesha Homa

Annual homa to celebrate Ganesh Chaturthi and seek blessings of the almighty for all the students and faculty.

Cognizance

A guided process where students receive expert advice to understand their strengths, interests and aptitudes based on the outcome of psychometric test followed by an interactive event that brings together industry professionals, offering students the opportunity to explore various career paths.

Gyan Mela

Annual school exhibition where students showcase creativity, knowledge and talent across all subjects.

Uphaar

A charity event aimed at fostering compassion and social responsibility among the students

UDAAN

An Entrepreneurship development event that aims to nurture creativity, innovation and business acumen among students by providing them platform to pitch ideas, develop business plans and engage with industry experts.

Annual Sports Day

A celebration of athletic talent, teamwork and sportsmanship, bringing together participants to compete in a variety of track and field events

Alumni Meet

A cherished occasion that brings together former students to reconnect, share experiences and relive memories of their alma mater

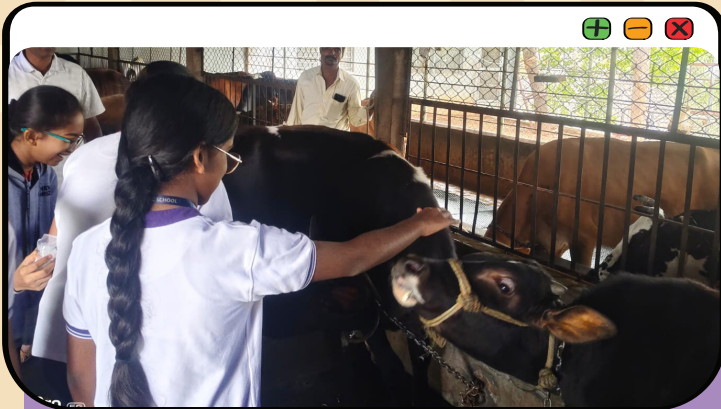

Happy Sunday Mornings

A lively and engaging event designed to bring parents together for fun filled activities, games and interactive sessions to create a joyful space for relaxation

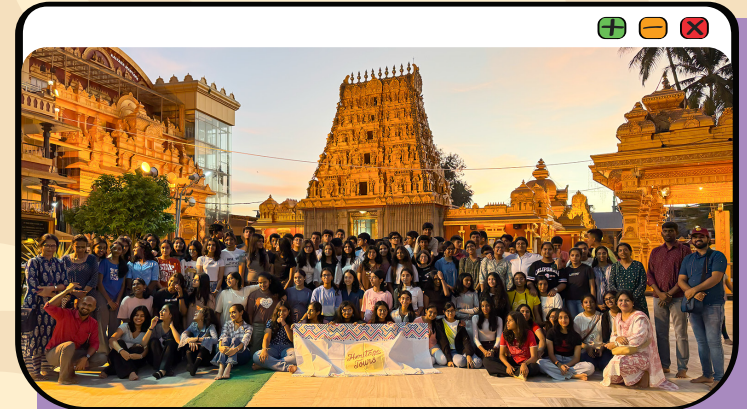

Rotary Interact Club

A student led initiative that empowers students to develop leadership skills, foster community service and promote international understanding through projects and campaigns.

Field Trips

The overnight field trips offer students an exciting opportunity to explore new places, experience hands on learning and develop independence in a safe and supervised environment.

NCC

NCC unit in the school instills discipline, leadership and spirit of service among students through structured training and activities

Deepotsav

Annual celebration of Diwali, showcasing the festivals cultural richness through vibrant performances, traditional decor and creative display bringing together students, staff and parents to share the joy of light over darkness.
