PROSPECTUS

2027-28

Hari Om!!

वक्रतुण्ड महाकाय सूर्यकोटसिमप्रभ ।
नख्खिन् कुरु मे देव सर्वकार्येषु सर्वदा ॥

OUR VISION

To be a globally recognised centre of excellence, empowering confident and responsible Horizonites through innovative, experiential, tech-integrated pedagogy rooted in values, national pride and global perspectives – shaping leaders for a sustainable and developed Bharat.

OUR MISSION

To nurture curious minds through holistic education in an environment rich in values, culture and learning experiences with a commitment to excellence, well-supported by world class infrastructure and facilities, that will shape our students into future leaders of Bharat and globally acclaimed leaders in their chosen fields.

Our Educators

Our educators are the heart of our school—nurturing curiosity, values and creativity in every child. With care and innovation, they create joyful classrooms where young minds grow with confidence and dreams take flight."

More than teachers—they are mentors, dream-builders and champions of young minds.

PEDAGOGY & TEACHING METHODOLOGY

Our curriculum is not just taught—it's experienced.

We follow a progressive, child-centric approach inspired by global best practices in early education. Teaching is play-based, theme-based and hands-on, making learning experiential, enjoyable and deeply effective.

Our Approach Includes:

- Phonics-driven literacy – to build a strong foundation in reading and language
- Interactive numeracy through concrete objects, games and puzzles
- Circle time, stories and rhymes to build listening and expression
- Experiential Learning
- EVS & thematic explorations to understand the world around us
- Art & Craft for self-expression
- Gross and fine motor activities to enhance coordination
- Rhythmic drills, music and movement for body awareness
- Free play and sensory learning stations
- Festival-based learning to instill values and cultural understanding

Every Learning Experience Is Age-Appropriate, Developmentally
Sound And Joyfully Delivered.

PREPRIMARY

PLAY SCHOOL
10:00 AM – 1:00 PM

NURSERY to UKG
9:15 AM – 1:30 PM

SCHOOL TIMINGS

CCA SPARKLE – WHERE EVERY CHILD SHINES

At our pre-primary level, competitions are thoughtfully designed to celebrate each child's uniqueness while nurturing confidence, creativity and communication. From storytelling to science experiments, every event encourages joyful participation, self-expression and early skill development. These experiences build a strong foundation for lifelong learning in a playful and supportive environment.

FABLE FIESTA

Children dress up as their favourite storybook characters and confidently speak a few lines, bringing tales to life with joy and imagination.

MAGIC MASK MAKING

Using eco-friendly materials, children creatively design masks and describe their creations, promoting sustainability and expression.

CREATIVE DRAWING WITH HANDPRINTS

A delightful art activity where children create vibrant drawings using handprints, blending creativity with fun.

HOMELAND HARMONY

A soulful solo singing competition that encourages children to express patriotism and musical talent.

AMAZING ME

Children speak confidently about themselves, fostering self-awareness and early public speaking skills.

LUMINOUS CREATIONS - DIYA DECORATION

An engaging diya decorating competition celebrating festive traditions with colour and creativity.

SHOW & TELL WITH PROPS

Children confidently present their favourite objects, enhancing speaking skills and building vocabulary.

CREATIVE WRITING

Children weave short stories or simple sentences with guidance, nurturing early writing skills and imagination.

SHABD SAUNDARYA

A recitation competition where children present simple Hindi/Kannada verses with clarity and expression.

RECALL AND LIST

A memory-based competition that sharpens recall skills as children list items from a given theme or story.

Folded wonders

Paper folding competition - Lkg

FOLDED WONDERS - ORIGAMI

A hands-on paper folding competition introducing children to the art of origami and fine motor skill development.

SHLOKA SYMPHONY

Children recite age-appropriate shlokas with devotion, rhythm, and understanding, connecting with cultural roots.

STORYTELLING

Little storytellers narrate simple tales with expression and clarity, enriching their language and narrative abilities.

SCIENCE SPARKS - IGNITING CURIOSITY

Children perform simple experiments and speak about their observations, fostering curiosity and scientific thinking.

BEST OUT OF WASTE

An eco-conscious competition where children creatively reuse materials to make useful objects.

SPIRIT OF HORIZONITES WEEK

Spirit of Horizonites Week is a fun-filled celebration for our pre-primary children.

Each day has a special theme like Neon Day, Storybook Character Day, Pattern Day and Wacky Hairstyle Day. Children enjoy dressing up, playing games, creating art and showing off their creativity.

The week helps build confidence, teamwork and joy, with wonderful support from parents and teachers. It is a colourful and memorable experience for all.

FRUIT MELA

The Fruit Mela is a vibrant celebration that promotes healthy eating and fruit awareness across all levels. Nursery children dress up as their favourite fruits and participate in a lively fruit parade, spreading colour and cheer. LKG students wear creative fruit-themed headgear and speak a few lines about the fruit they represent, enhancing their confidence and vocabulary. UKG children engage in a hands-on fruit craft activity and share the benefits of fruits with their classmates. The event beautifully blends creativity, learning and joyful participation.

Curriculum

The Primary Division of New Horizon Public School aims to ensure that every child learns through access to a broad and balanced curriculum which is adapted to challenge and support individual children. We strive to create a stimulating learning environment that will engage all children and make them want to learn. This means that they will develop a love of learning and a natural curiosity that will stay with them throughout their life. We follow the ICSE curriculum and are affiliated to the Council for the Indian School Certificate Examinations (CISCE), New Delhi. Our pupils study the following subjects:

- English Literature & Language
- II language (Hindi/Kannada/Sanskrit)
- III language (Hindi/Kannada)
- Mathematics
- General Science/EVS
- Social Studies
- Computer Studies

School Timings

- GRADES I TO X: 8:00 AM – 3:05 PM

Pedagogy & Teaching Methodology

We believe in nurturing not just bright minds, but capable individuals. Our curriculum blends strong academic concepts with opportunities in art, sports, cultural activities and leadership—preparing students for success in school and beyond.

OUR APPROACH INCLUDES:

- Concept-Based Learning - Strong foundations built through clear understanding.
- Experiential Projects - Learning by doing, exploring and creating.
- Problem-Solving Skills - Critical thinking and creative solutions.
- Art & Craft - Fostering creativity and expression.
- Science & Literary Clubs - Inspiring curiosity and communication.
- Self-Expression Opportunities - Discussions and presentations.
- Adaptability & Leadership - Flexible roles in teamwork.
- Wholesome Growth - Sports, life skills and value-based learning.
- Art, Music & Dance - Creative expression through varied art forms.
- Library & Reading Programs - Building a love for books and independent learning.
- Competitions & Stage Presentations - Instilling confidence and presentation skills.
- Field Trips & Outdoor Learning - Hands-on exposure beyond the classroom.

VALUE-BASED EDUCATION – NURTURING MINDS & HEARTS

At NHPS, our approach blends academic excellence with strong moral grounding. We have a dedicated team of NIVE educators, in association with ISKCON, who instill timeless values through the teaching of Bhagavad Gita shlokas and inspiring value-based stories. These sessions encourage students to develop empathy, integrity, respect and mindfulness, helping them grow into compassionate individuals who contribute positively to society.

CCA Brilliance

Our CCA competitions are designed to foster creativity, imagination and presentation skills among students. Throughout the year, children participate in a variety of events such as dress-up and speak, poster making, singing and dance competitions, flower arrangement, diya decoration during Deepawali, card making, pick-and-speak, show and tell, elocution, just-a-minute, handwriting and many more.

These activities go beyond the classroom to encourage self-expression, build confidence and develop teamwork. They provide opportunities for students to explore their talents, think on their feet and communicate effectively. Most importantly, they instill the spirit of healthy competition—teaching children to celebrate both effort and achievement while respecting their peers' strengths. CCA competitions are an integral part of holistic education, shaping well-rounded, confident and creative individuals.

World Environment Day

Students of the primary division participate in age-appropriate, hands-on activities such as planting saplings, handling soil, learning slogans and engaging in discussions to understand how their little hands can help save our environment.

DEEPOTSAV

Deepotsav at NHPS is truly a festival of joy! The campus comes alive with twinkling diyas, colorful decorations and the cheerful buzz of celebration. Children and parents enjoy a variety of exciting games, while stalls with lip-smacking food add to the festive spirit. It's a beautiful evening where light, laughter, and togetherness create memories to cherish.

UPHAAR

Uphaar at NHPS is a one-of-a-kind event where children take the lead! They plan and run exciting stalls with creativity and enthusiasm, while parents wholeheartedly contribute by supporting and buying from them. What makes Uphaar truly special is its purpose—the money collected is donated to NGOs carefully chosen by our students. In this way, our children not only learn responsibility and teamwork but also experience the joy of giving and making a difference in society.

Festival celebrations - each festival's spirit

Festivals come alive with vibrant dress-ups, stories and songs. Children take part in dances and class activities that reflect each festival's spirit. It's a joyful way to introduce culture and tradition from a young age.

Kargil Vijay Diwas

We celebrate Kargil Vijay Diwas with heartfelt cultural performances, patriotic songs and speeches, paying tribute to our brave soldiers and unsung heroes. Students participate with pride, expressing gratitude for the sacrifices made to protect our nation and inspiring everyone to uphold the values of courage, unity and patriotism.

ANNUAL DAY

Annual Day at NHPS is a grand celebration of talent, creativity, and achievement. It is a day when our children step onto the stage with confidence, showcasing their skills in dance, drama, music, and more. It is also a time to honor their hard work, applaud their accomplishments, and celebrate the spirit of togetherness that binds our school community.

Gyan Mela

Gyan Mela is our annual event where students create projects and working models that showcase their learning, all connected to a central theme. The exhibits interweave different subjects, highlighting the power of subject integration and real-world application. Alongside these displays, the day features vibrant cultural performances and food stalls, making it a celebration of knowledge, creativity, and community spirit.

Creative Week

Held twice a year, Creative Week is a hands-on, experiential learning program where students work on projects across different subjects under the guidance of their teachers. This extended learning experience promotes teamwork, organizational and planning skills, reasoning abilities, and confident presentations. By exploring specific topics in depth, students learn to apply concepts creatively while developing essential life skills.

Sports Day

Children take part in age-appropriate races and team activities with enthusiasm. The day is filled with cheers, energy and a spirit of healthy competition. Props and medals add to the excitement and motivation. It promotes teamwork, coordination and sportsmanship.

Culmination Day

Culmination Day is our annual event where the learning experiences of the term or year come alive on stage. Students present an engaging blend of cultural programme that interweave subjects into stories, dances, dramas, mimes, skits, songs, nukkad nataks and more. This vibrant showcase not only reflects academic and creative learning but also builds confidence, teamwork and stage presence while giving parents a glimpse into their child's journey.

Universal Children's Day

A special outing to Fun World is organized for the children every year. The day is dedicated to celebrating their joy, curiosity and togetherness. Games, music and treats make it a memorable experience. It's a day where every child feels truly special.

New Horizon with a Twist

A unique event where parents relive their school days with their children. They engage in classroom activities, games and interactive sessions. It strengthens the school-home bond through shared learning experiences. The atmosphere is filled with nostalgia, fun and laughter.

Pen Ceremony (For Grade IV Students Only)

The Pen Ceremony marks a significant milestone for our Grade IV students as they begin writing with a pen. In a traditional setting, teachers present each child with a pen, offering blessings and sharing the importance of using it with care. Students take an oath to write responsibly, chant Saraswati Shlokas and pen down a note of gratitude for their teachers and parents. The ceremony beautifully blends tradition, respect and the joy of learning.

KALA UTSAV Interschool Competition

NHPS proudly hosts Kala Utsav, an exciting interschool platform that celebrates the creativity, confidence and talents of young learners. Children from various schools participate in engaging age-appropriate competitions that encourage self-expression, communication, creativity and joyful learning. The event provides our little learners with an opportunity to interact, perform and shine in a vibrant and encouraging atmosphere.

A young boy in a white school shirt and grey shorts is holding a basketball. He is surrounded by various school and sports items: a teal backpack, a set of colored pencils, a pair of white sneakers, a pair of dark shoes, a pair of white socks, a pair of dark socks, a blue backpack, and a pair of dark shoes. The background is a solid green color.

After-School Enrichment Hub

POST-SCHOOL ACTIVITIES - ENRICHMENT BEYOND CLASSROOMS

At NHPS, we offer a diverse range of post-school activities designed to meet the needs of today's learners while providing a safe and engaging environment. These programs give students exposure to a variety of skills and hobbies, keeping them productively engaged throughout the week.

Our activities include:

Academic Enrichment:
Abacus, Foreign Languages, Robotics
& STEM classes

Creative Arts:
Guitar, Keyboard, Theatre, Public
Speaking

Physical & Performing Arts:
Karate, Hip-Hop, Bharatanatyam

Life Skills & Interests:
Editorial Club and chess

Sports:
Free coaching for volleyball and basketball.
These activities not only nurture talent but
also promote confidence, teamwork, and a
lifelong love for learning.

EXPERIENTIAL LEARNING THROUGH FIELD VISITS

A group of five children, three girls and two boys, are smiling and posing for a photo. They are wearing school uniforms: white shirts with red or blue collars and dark blue or black skirts or trousers. The background is a bright blue sky with soft white clouds. The children are arranged in a cluster, with some leaning on each other.

For our primary students, educational trips are thoughtfully designed to combine learning with fun. Destinations like agro farms, chocolate factories, and resorts provide children with opportunities to experience nature and enjoy hands-on activities such as pottery, planting, vermicomposting, card making, and chocolate making. They also take part in exciting games and skill-building activities like rock climbing, rope walking, rain dance, pool time, feeding animals and watching magic shows. Every year, the trips begin with a visit to the ISKCON temple, where children explore the goshala (cow shelter) and feed the cows—an experience that fosters empathy, respect for animals and a deeper understanding of our cultural heritage.

Experiential Learning Through Field Visits

At our pre-primary level, learning extends beyond the classroom walls. Carefully planned field visits offer our young learners the opportunity to connect classroom concepts with real-world experiences. Visits to gardens, fire stations, supermarkets, temples and more enrich their understanding, spark curiosity and make learning memorable.

PARENT-TEACHER MEETINGS

We believe learning is a shared journey. PTMs are more than academic reviews; they are celebrations of growth. Parents are shown curated video snapshots of classroom learning and events, offering a transparent and heartfelt view of their child's school life.

INFRASTRUCTURE HIGHLIGHTS

- Spacious, well-ventilated classrooms with ample light.
- Smart boards in every classroom to enhance interactive learning.
- Dedicated book nook in each room to encourage early reading habits.
- Age-appropriate, child-friendly furniture and learning aids.
- Safe, hygienic, and easy-to-access washrooms for young children.
- Thematic visual displays and well-planned learning corners.
- Play zones with a slide, sandpit and ball pool to support active play.
- A large ground for structured physical training and outdoor activities.
- Artitude– A vibrant space for creativity and expression through colors, textures, and craft activities.
- Tale Me More –A magical storytelling room with puppets, cloud décor, and lightning effects that spark imagination.
- Tune In– A melodious space where children explore sounds, rhythms, and musical instruments.
- Dance Alley–A dynamic area for movement, coordination, and joyful expression through dance.

Life Skills Lab – Learning For Life

Our Life Skills Lab is a hands-on learning space where students are equipped with essential skills that go beyond textbooks. Age-appropriate activities help children develop confidence, independence and a sense of responsibility. Activities focus on practical everyday skills, personal organisation, teamwork and responsible decision-making.

Computer Lab – Building Digital Minds

Our Computer Lab is a modern, well-equipped space designed to make students confident and skilled in using technology. With age-appropriate software and up-to-date systems, students learn everything from basic typing and coding to creating presentations, digital art, and multimedia projects. Emphasis is placed on safe and responsible use of technology, problem-solving, and logical thinking.

Learning Centre – Supporting Every Learner

At our Learning Centre, we believe every child can shine with the right guidance and care. This dedicated space is designed to support students with learning difficulties through personalised attention and tailored strategies.

Counselling & Behaviour Therapy – Guiding With Care

Our school provides the support of a qualified counsellor and behaviour therapist to nurture students' emotional well-being and social growth. Through one-on-one sessions, group activities, and personalised strategies, we help children develop resilience, self-awareness, and positive behaviour patterns.

SAFETY & ENVIRONMENT

Our premises are secure, hygienic, and child-friendly. Every classroom and play area is designed keeping safety and visibility in mind. A trained nurse is available during school hours to provide first aid and respond to medical emergencies. protocols, and an ambulance is on call to handle any urgent situations.

Our campus is under CCTV surveillance, ensuring constant monitoring.

We go beyond physical safety to instil awareness and responsibility:

- Stranger Danger Day is observed to sensitise children through stories, role-play and discussions on personal safety.
- On World Environment Day, children and parents come together to celebrate sustainability through hands-on activities.

- We promote eco-consciousness across competitions by encouraging the use of natural, reusable and recyclable materials.
- For Ganesh Chaturthi, children sculpt their own eco-friendly clay Ganeshas, a beautiful blend of tradition, creativity and environmental care.

PROGRESSIVE & RESEARCH-BASED TEACHING METHODS

- Empowered educators who care deeply about excellence with empathy
- Holistic, age-appropriate curriculum
- Strong school-home partnership
- Vibrant events and experiential activities
- Focus on values, wellness and confidence-building
- Extended Care with Day Care Facility (up to Grade 3): For working parents, our day care program offers a safe, structured and caring environment, blending rest, play and gentle learning beyond school hours.
